

Questions Nova Scotians May Want to Ask

1. Will homes and businesses not already reached under the Internet for Nova Scotia Initiative ever have access to affordable high-speed internet?
2. What is Develop Nova Scotia doing to improve its monitoring of progress and schedules to ensure the projects are completed on time?
3. What is being done to minimize delays and ensure projects currently underway will be completed on time?
4. What are other ways the government could have funded a project like this? How will they ensure the issues identified in this report don't happen for the next project?
5. Technology is always changing. What is Develop Nova Scotia doing to ensure that evolving technologies are incorporated into the Initiative?
