Questions Nova Scotians May Want to Ask

1. What is the full cost of implementing the Pre-Primary Program over the last four years?
2. How much does the Pre-Primary Program cost to run on an annual basis now that it is fully implemented?
3. Will the Department be publicly reporting on the effectiveness of the program once specific goals are developed?
4. What is the Department doing to ensure all school staff, including teachers and principals, understand the roles and responsibilities of the Pre-Primary Program?
