

## Questions Nova Scotians May Want to Ask

1. When will the Department of Service Nova Scotia and Internal Services fix the significant control weaknesses over departmental purchasing and user access? Who is holding the Department accountable for fixing these weaknesses?
2. What steps has the Department of Service Nova Scotia and Internal Services taken to address potential risks around fraud and error since 2018-19?
3. When will the Province know with relative certainty the cost to clean up Boat Harbour?
4. Without site investigations, has the Department of Lands and Forestry put appropriate safeguards in place to protect the public at sites where potential contamination has been identified?
5. Why did the Province set up external trusts outside government control and what does that mean for residual funds remaining at the end of the trust agreements?
